

Cabernet Sauvignon

Grape Variety: Cabernet Sauvignon

Alcohol Content: 13.5%

Region: Sicily

Producer: Azzolino

Vinification

Long-lasting maceration over the skins and slow controlled temperature fermentation. Sharpening in oak tonneau-barriques and afterwards in bottle.

Tasting Characteristics

The Cabernet Sauvignon expresses the best of its personality to celebrate both the French homeland and the adoptive land of Sicily. This bodied wine is pleasantly matched with dishes based on meat and well aged cheese.
