### **Tasting Characteristics**

Made from Cortese grapes, this wine is straw yellow in color with green highlights and has a fragrant aroma (flowers, lemon peel, lily of the valley and green apple). The taste is pleasantly dry, lively and harmonious; elegant. Excellent as an aperitif, and is exalted with hors d'oeuvres as well as with dishes based on fish, mollusks and crustaceans. It is perfect for summer, but knows no seasonal boundaries. Drink young (within four years after harvest).
