

## Merlot Riserva

Grape Variety: Merlot

Alcohol Content: 14%

Region: Friuli

Producer: La Rajade

### Vinification

Skin maceration is done for about 10 days and controlled temperature fermentation is also performed partly in steel tanks and partly in wooden barrels. The delestage system is adopted.

### Tasting Characteristics

It has a correct proportion of pleasant sensations which go from under-wood fruits to delicate spices, which, when in your mouth, has a soft but important taste. The wine emphasizes with the best obtainable from this plant.
