

# Merlot

Grape Variety: Merlot

Alcohol Content: 13.5%

Region: Sicily

Producer: Azzolino

## Vinification

Cold pre-fermentation maceration and slow fermentation under the skin and partly in French barriques. Sharpening in steel and subsequently in bottle.

## Tasting Characteristics

It is balanced, medium bodied and full of rich and juicy fruit flavors. The warm Sicilian sun and fresh night breezes across the island provide the perfect climate for growing Merlot grapes with bright fruit aromas and soft, mature tannins.
